

# *Sunday School*

*Please choose any one of the following adult classes to be your home for Sunday School.*

## **Christian Crusaders**

Our class consists of young to middle-aged adults who gather every Sunday upstairs in room #204 in order to increase our Biblical knowledge and learn how to live better lives for Jesus Christ. We often use DVD curriculum that incorporates a Bible study with discussions. Sometimes we just study a book of the Bible. We have a few class activities throughout the year and have fun in our fellowship together.

## **Christian Fellowship Class**

We are a group of seasoned adults who meet in the library. We are blessed with wonderful teachers who guide our class using the Standard Lesson Quarterly.

## **Joy Bible Class**

We meet upstairs in room #208. We have four different, yet wonderful teachers who lead the class using the International Sunday School Lessons. You may join in discussions or just listen and absorb the lesson. At the beginning of each session we share prayer needs, joys and items of thanks, knowing there is great power in prayer. Several class activities are sprinkled throughout the year...some for service, some for fellowship and fun.

## **New Beginnings**

We are a group of young, passionate Christians who together seek our purpose individually and as Christians. You'll enjoy a cup of coffee, fellowship, and occasional breakfast foods in our casual, cozy room, located upstairs in room #201. DVD curriculum and participant study guides are used to help build our faith.

## **Pairs & Spares**

We used to be the young couples' and singles' class; time has marched on! Our teacher leads us as we seek to become more like Jesus in the time and place in history He has us. This class uses books dealing with discipleship issues in our culture. Examples include: *God Speaks Your Love Language* by Dr. Gary Chapman. We meet upstairs in room #203.

## **Truth Seekers**

Our class studies are on Bible-based topics, characters, and events for the purpose of seeking knowledge of God's Word and learning how to apply our Christian faith in our everyday lives. Enthusiastic discussions are a central part of each lesson. We meet in the large classroom on the main floor across from the church mailboxes.

## **Sunday School is not limited to only adults!**

We have wonderful classes for children from toddlers through youth. The Sr. High Class (Grades 9-12) meets upstairs in room #205. The rest of the classes meet downstairs and are grouped according to age. This is a wonderful place to teach the next generation the fundamentals of our Christian Faith.

Sunday School begins at 9:30 a.m. We have an opening in the sanctuary for those who are in 9th grade or older and an opening downstairs in the social room for children up through 8th grade.

If you have any questions about our Sunday School program, please see the superintendent or one of the pastors.
